Northwest Financial Group Named as One of the Top Independent Registered Investment Advisors Nationwide

Financial Advisor Rankings Based on Assets Under Management

Herndon, Virginia, August 5, 2009 – Northwest Financial Group was named one of the top independent Registered Investment Advisor firms in the United States in the July 2009 issue of *Financial Advisor Magazine*.

This independent survey ranked firms based on assets under management and specifically focused on the percentage of growth in assets for the firm and growth per individual client. The ranking identifies the largest independent advisory firms in the country and spotlights the characteristics and practices that made them successful. These firms offer financial planning and related services, along with investment and wealth management services.

Northwest Financial Group was the only Northern Virginia firm included in the *Financial Advisor's* Asset Category of \$300 million-\$500 million, coming in at 136th in the U.S. "The rapid growth of Northwest Financial Group is a testament to our dedicated and professional financial advisors who work closely with clients each and every day and provide independent advice based on what's in the best interests of the clients," said Northwest Financial President and CEO Kevin Fisher. "We are honored to receive this recognition from this respected publication."
